

## **Take the Save Texas Schools Pledge**

We believe that a strong Texas public school system is the most important investment we can make in our future. We call on state leaders to take the following urgent actions to support Texas schools and students:

- Keep Texas smart – make education a top priority!
- Use the \$9.3 Billion Texas “Rainy Day” Fund to support schools
- Sign the paperwork for \$830 Million in federal aid for teachers
- Fix school funding laws to be fair to all districts and to our growing student population.
- And in the long-term, we demand that our state leaders make funding public education a top priority.

**Keep Texas smart!  
Put education first!  
Our future depends on it.**
