

We are at a . The future of our  hangs in the balance. If we don't  our legislators from  funding for public **SCHOOL**s, fix a broken testing system that is the  to educate children, and say  a voucher bill that will give billions in public  to private schools, we will  face a  future.

We can turn this !  and stand  with thousands of other concerned Texans at the  rally on . It's the  to a brighter future for all  children.
